JULIUS DEROMA IS A WHITE SUPREMACIST AND HE FINANCIALLY SUPPORTS RACIST CAUSES

Julius DeRoma donated \$500 in 2016 to David Duke's Senate Campaign. David Duke is a known white supremacist & ex-Grand Master of the KKK. DeRoma's donation was uncovered by City Pages and caused the bar to close, although only temporarily.

Julius DeRoma also donated \$200 in 2018 to Patrick Little's Senate Campaign. Patrick Little is a known anti-semitic, self-proclaimed "white nationalist," & public advocate of genocidal violence against Jews. Patrick Little publicly called for a United States free from Jews, and was even barred from entrance to the California Republican Convention because of his blatant anti-semitism. DeRoma's donation took place after these events transpired.

Julius DeRoma helped organize and attended an event for holocaust denier and author David Irving. The 2012 event was held in secret because of fears of being disrupted, although it was regardless. Because of his anti-semitic ideology, David Irving has been banned from entrance into several countries around the world.
